

BRTC Report Register for Shipbuilding Materials

Sl.	Title of Report	Company Name	Date
01	Report on Verification of the Proper use of Imported M. S. Plates and Angle.	High Speed Shipbuilding & Engineering, Dhaka.	November 2012
02	Report on Verification of the Proper use of the Hot Rolled Steel Plate.	Three Angle Marine Ltd, Dhaka	January 2013
03	Report on Verification of the Proper use of the Hot Rolled Steel Plate & HP Bulb Flat.		
04	Report on Verification of the Proper use of Seamless Steel Pipe.	Meghna Shipbuilding & Dockyard Ltd, Meghnaghat.	March 2013
05	Report on Verification of the Proper use of the Hot Rolled Steel Plate.	The Comilla Shipbuilders Ltd, Dhaka.	March 2013
06	Report on Verification of the Proper use of the Hot Rolled Steel Chequered Plates of Weight 69.75 M. Ton.		April 2013
07	Report on Verification of Proper use of HR Plates.	Meghna Shipbuilding & Dockyard Ltd.	May 2013
08	Report on Verification of the Proper use of the Hot Rolled M.S. Plates and Marine Propellers.	Nowsher Shipping Lines Ltd, Dhaka.	May 2013
09	Report on Verification of the Proper use of Marine Propellers.	Bashundhara Steel & Engineering. Ltd, Dhaka	May 2013
10	Report on Verification of the Proper use of Imported M. S. Plates.	High Speed Shipbuilding & Engineering, Dhaka.	May 2013
11	Report on Verification of the Proper use of Imported M. S. Plates.	King Fisher Shipyard, Rupgonj.	May 2013
12	Report on Verification of the Proper use of HR Plates, Bulb Flats, Angle bars & Anchors.	Western Fishers Shipyard Ltd, Chittagong.	June 2013
13	Report on Verification of the Proper use of the Hot Rolled Steel Plate.	T.K. Shipyard Ltd, Munshigonj	July 2013
14	Report on Verification of the Proper use of Shipbuilding Steel Plates, Bulb Plates and Marine Propellers.	FMC Dockyard Ltd, Chittagong.	July 2013
15	Report on Verification of the Proper use of the Hot Rolled Steel Plate.	Vosta, LMG-Karnafuly Joint Venture Consortium Ltd, Chittagong.	July 2013
16	Report on Verification of the Proper use of Imported M.S. Angle.	High Speed Shipbuilding & Engineering, Dhaka.	September 2013
17	Report on Verification of the Proper use of Imported Hot Rolled Steel Plate & Propellers.	Three Angle Marine Ltd, Dhaka	September 2013

18	Report on Verification of the Proper use of Imported Prime Quality Hot Rolled Steel Plates and Brass Propellers.	Dhaka Dockyard & Engineering, Dhaka.	October 2013
19	Report on Verification of the Proper use of Hot Rolled Steel Plates, Angles, Bulb Plates, Combined Windless Set Propeller and Sandwich Flange Rubber Section Hose.	FMC Dockyard Ltd, Chittagong.	November 2013
20	Report on Verification of the Proper use of Hot Rolled Steel Plates, and Bulb Angles.	Lucky Shipbuilders Ltd, Narayangonj.	November 2013
21	Report on Verification of the Proper use of Imported M. S. Plates.	K.S.B. Engineering. & Dock yard, Narayangonj	December 2013
22	Report on Verification of the Proper use of Imported M. S. Angle.	High Speed Shipbuilding & Engineering, Dhaka.	March 2014
23	Report on Verification of the Proper use of Imported M. S. Angle.		April 2014
24	Report on Verification of the Proper use of Imported Hot Rolled Steel Plate.	Meghna Shipbuilders & Dockyard Ltd, Narayangonj.	May 2014
25	Report on Verification of the Proper use of Imported Shipbuilding Materials.	Khan Brothers Shipbuilding Ltd, Munshigonj.	June 2014
26	Report on Verification of the Proper use of Shipbuilding Materials.	FMC Dockyard Ltd, Chittagong.	June 2014
27	Report on Verification of the Proper use of the Hot Rolled Steel Checkered Plates of Weight 78.56 M. Ton.	The Comilla Shipbuilders Ltd.	June 2014
28	Report on Verification of the Proper use of The Hot Rolled Steel Checkered Plates of Weight 78.56 M. Ton.	The Comilla Shipyard Ltd, Dhaka.	June 2014
29	Report on Verification of the Proper use of the Imported Mild Steel Plates, Bulb Plates, Angle Section, Seamless Steel Pipes, Propellers, Deck Mounted Propulsion Units, Anchor, Anchor Chains, Steel Mooring Wires, Hydraulic Steering & Hydraulic Windlasses.	Narayangonj Shipbuilders Ltd, Narayangonj.	August 2014
30	Report on Verification of the Proper use of Imported Shipbuilding Materials.	IHC-WMShL Ltd, Chittagong	05-08-
31	Report on Verification of the Proper use of Imported Shipbuilding Steel Plates.	FMC Dockyard Ltd, Chittagong.	September 2014
32	Report on Verification of the Proper use of Shipbuilding M. S. Plates & Angles.	Desh Shipbuilding & Engineering, Chittagong.	October 2014
33	Report on Verification of the Proper use of M. S. Shipbuilding Plates, Anchors, Windlass and Propellers.	Radiant Shipyard Ltd, Narayangonj.	November 2014
34	Report on Verification of the Proper use of The Hot Rolled M. S. Plates.	High Speed Shipbuilding & Engineering, Dhaka.	November 2014

35	Report on Verification of the Proper use of Shipbuilding Hot Rolled Steel Plates.	The Comilla Shipbuilders Co. Ltd.	December 2014
36	Report on Verification of the Proper use of Imported M. S. Angle.	High Speed Shipbuilding & Engineering, Dhaka.	April 2015
37	Report on Verification of the Proper use of Imported Hot Rolled MS Plates, Chequered Plate, Wire Rope, Anchor Chain & Shackle of Weight 499.98 M. Ton.	The Comilla Shipbuilders Co. Ltd.	July 2015
38	Report on Verification of the Proper use of Shipbuilding Steel Plates.	Chittagong Marine Dockyard.	October 2015
39	Report on Verification of the Proper use of Imported M.S. Plates and M. S. Angle.	The Comilla Shipbuilders Co. Ltd.	December 2015
40	Report on Verification of the Proper use of The Hot Rolled M. S. Plates.	High Speed Shipbuilding & Engineering, Dhaka.	December 2015
41	Report on Verification of the Proper use of Shipbuilding Steel Plates.	Meghna Shipbuilders & Dockyard Ltd, Narayanganj.	December 2015
42	Report on Verification of the Proper use of Imported Pre-Printed Steel Plates, M. S. Angles and Propeller.	Dhaka Dockyard & Engineering. Works, Dhaka	February 2016
43	Report on Verification of the Proper use of Shipbuilding Steel Plates.	Vosta, LMG-Karnafuly Joint Venture Consortium Ltd, Chittagong.	
44	Report on Verification of the Proper use of Shipbuilding Steel Plates, Shapes & Section, Door & Windows, Pipes, Anchor Chain and Others Equipment.	Meghna Ship Builders and Dockyard Ltd. Narayanganj	August 2016
45	Report on Verification of the Proper use of Shipbuilding Steel Plates Angles & Propellers.	T.K. Shipyard Ltd, Munshiganj	August 2016
46	Report on Verification of the Proper use of Shipbuilding Steel Plates, Bulb Plates, Chequered Plates, Anchor Windlass Chain Cable, Steering Gear, Pope, Propeller and Transmission Shaft, Door & Windows.	Radiant Shipyard Ltd, Dhaka.	November 2016
47	Report on Verification of the Proper use of Anchor, Anchor Chain Joining Shackle, Swivel, Anchor Shackle, Anchor Winch, Chain Lock, Shackle Punch, Synthetic Fiver Rope For Mooring & steel Wire For Towing.	T.K. Shipyard Ltd, Munshiganj	November 2016
48	Report on Verification of the Proper use of Shipbuilding Steel Plates, Shapes & Section, Bulb Angle, Propeller and Transmission Shaft, Door & Windows.	Radiant Marine Design & Services Ltd, Narayanganj.	November 2016
49	Report on Verification of the Proper use of Shipbuilding Hot Rolled Steel Plates, M.S. Pipes & Hot Rolled Steel Angle.	Adventure Shipbuilders Ltd, Barisal.	December 2016

50	Report on Verification of the Proper use of Imported Flat Rolled Products For Iron and Non-Alloy Steel	F. Rahman Shipbuilder Ltd, Dhaka.	March 2017
51	Report on Verification of the Proper use of Hot rolled M.S. Plates.	High Speed Shipbuilding & Engineering, Dhaka.	March 2017
52	Report on Verification of the Proper use of Imported Shipbuilding Plates and Bulb Flats.	Aman Shipyard Ltd, Narayangonj	March 2017
53	Report on Verification of the Proper use of Shipbuilding Steel Plates, Shapes and Sections MS Angle, Anchor Parts, Seamless Pipe and Fitting, Ship Propeller, Window and Equipment.	Meghna Ship Builders and Dockyard Ltd, Narayangonj	March 2017
54	Report on Verification of the Proper use of Imported Prime Quality Hot Rolled Steel Plates and Mooring Rope & Chain.	Comilla Shipbuilders Ltd, Dhaka.	March 2017
55	Report on Verification of the Proper use of Hot Rolled MS Plates.	High Speed Shipbuilding & Engineering, Dhaka.	July 2017
56	Report on Verification of the Proper use of Imported Steel Plates, Steel Bulb Plates, M.S. Pipes, Shapes & Section, Un- Equal Angles, Marine Propellers & Shafting System, Navigation Light, Windows, Anchors & Accessories and Other Equipment.	Marine Trust Ltd, Munshigonj	August 2017
57	Report on Verification of the Proper use of Shipbuilding Materials.	Desh Shipbuilding & Engineering, Ltd.	November 2017
58	Report on Verification of the Proper use of Shipbuilding Materials.	FMC Dockyard Ltd, Chittagong	January 2018
59	Report on Verification of the Proper use of Imported Shipbuilding MS Plates, Bulb Plates, and Other Items.	Aman Shipyard Ltd, Narayangonj	January 2018
60	Report on Verification of the Proper use of Imported Shipbuilding Steel Plates and Ship Propellers.	Adventure Shipbuilders Ltd, Barisal.	March 2018
61	Report on Verification and Certification of the Proper use of Shipbuilding Steel Plates, Shapes and Sections Anchor and Anchor Parts, Seamless Pipe and Pipe Fittings, Propeller and Propeller Shaft with Accessories, Doors and Windows and Various Equipment.	Meghna Ship Builders and Dockyard Ltd, Narayangonj	March 2018
62	Report on Verification & Certification of the Proper use of Hot Rolled Shipbuilding Steel Pates.	Chittagong Marine Dockyard, Chittagong.	April 2018
63	Report on Expert Opinion about the Imported Chains.	Adventure Shipbuilders Ltd, Barisal.	May 2018
64	Report on Verification of the Proper use of Marine Anchor Windlass, Capstan Power by Electric Motor, Anchor Chain, Mooring Rope Towing Rope, Mooring Choke and Steering Gear.	Radiant Marine Design & Services Ltd, Narayangonj.	July 2018

65	Report on Verification of the Proper use of Shipbuilding Materials.		
66	Report on Verification of the Proper use of Shipbuilding Materials.	Delta Shipyard Ltd, Chittagong	September 2018
67	Report on Verification of the Proper use of Imported MS Plate And Marine Propeller.	Hoque Dockyard, Dhaka.	September 2018
68	Report on Verification of the Proper use of the Hot Rolled Steel Plates and Steel Bulb Profile.	F. Rahman Shipbuilders, Narayangonj	December 2018
69	Report on Verification of the Proper use of Imported M.S. Plates.	High Speed Shipbuilding & Engineering, Dhaka.	January 2019
70	Report on Verification of the Proper use of Shipbuilding Materials.	Radiant Shipyard Ltd, Narayangonj	January 2019
71	Report on Verification of the Proper use of Imported Shipbuilding Steel Plates Propellers with Accessories, Shafting System with Accessories, Anchors, Anchor Chain, cables, Steering Gears, Windlasses, Doors, Windows and Pipes.	Aman Shipyard Ltd, Narayangonj	February 2019
72	Report on Verification of the Proper use of Shipbuilding Hot Rolled Steel Plates, Stud Link Chain, Anchor and Anchor Chain Marine Gear Pump And Launching Air bag.	Adventure Shipbuilders Ltd, Barisal.	March 2019
73	Report on Verification and Certification of the Proper use of M.S. Shipbuilding Plates.	Chittagong Marine Dockyard, Chittagong	March 2019
74	Report on Verification of the Proper use of Shipbuilding Materials.	Bashundhara Steel & Engineering Ltd, Dhaka	March 2019
75	Report on Verification of the Proper use of Shipbuilding Hot Rolled Steel Plates, Checker Steel Plates, Angles, Door, Windows, Side Scuttle, Navigational Light and Signaling Light.	Meghna Ship Builders and Dockyard Ltd, Narayangonj	April 2019
76	Report on Verification of the Proper use of Shipbuilding Steel Plates, Aluminum Plates and Angles, Shapes and Section (Bimetallic Transition) and Others.	FMC Dockyard Ltd, Chittagong	April 2019
77	Report on Verification of the Proper use of Imported Steel Plate.	Comilla Shipbuilders Ltd, Dhaka.	April 2019
78	Report on Verification of the Proper use of Shipbuilding Hot Rolled Steel Plates, Angles, Shapes and Section.	Meghna Ship Builders and Dockyard Ltd, Narayangonj	April 2019
79	Report on Verification of the Proper use of Shipbuilding Quality Prime Hot Rolled Non- Alloy Steel Plates (LRS Quality Grade-A)	High Speed Shipbuilding & Engineering, Dhaka.	May 2019
80	Report on Verification of the Proper use of Shipbuilding Steel Plates, Bulb Profile, Anchor, Anchor Chain, Propeller, Shaft, Windlass, Rope Screw Pump and Diesel Generator.	Alam Marine Shipbuilders Ltd, Dhaka.	May 2019

81	Report on Verification of the Proper use of Shipbuilding Steel Plates.	Alam Marine Shipbuilders Ltd, Dhaka.	May 2019
82	Report on Verification of the Proper use of Shipbuilding Materials.	Delta Shipyard Ltd, Dhaka.	May 2019
83	Report on Verification and Certification of the Proper use of Imported Steel Plate, Windlass, Door Window Scuttles, Stud link, Anchor, Anchor, Anchor Chain Moring, Wire, Life Boat and Propeller.	Three Angle Marine Ltd, Dhaka.	July 2019
84	Report on Verification of the Proper use of Shipbuilding Materials.	FMC Dockyard Ltd, Chittagong	July 2019
85	Report on Verification of the Proper use of Marine Propellers, Anchor, Anchor chains, Aluminum Doors, Windows, Transmission Shafts Cranks, and Steel Pipe.	F. Rahman Shipbuilders, Narayanganj	July 2019
86	Report on Verification of the Proper use of MS Plate Checker Plate Angles & Anchor Chain.	The Comilla Shipyard Ltd, Dhaka.	July 2019
87	Report on Verification of the Proper use of Imported Shipbuilding Quality M.S. Plates, Grade-GL-A.	High Speed Shipbuilding & Engineering, Dhaka.	July 2019
88	Report on Verification of the Proper use of Hot Rolled Steel Plates, Checkered Plates, Angles, Bulb Flat Steel Door and Aluminum Window, Transmission, Shafts, Propeller and Accessories, Navigational Light for Shipbuilding.	Meghna Shipbuilders & Dockyard Ltd.	August 2019
89	Report on Verification of the Proper use of Hot Rolled Steel Plates, Angles, Cold Rolled Seamless Steel Pipe & Equipment for Shipbuilding.		
90	Report on Verification of the Proper use of Prime Quality Hot Rolled Steel Plates For Shipbuilding.	Abul Khair Shipyard & Engineering Ltd, Chittagong	October 2019
91	Report on Verification of the Proper use of Prime Quality Hot Rolled Steel Plates, Angles, Propellers, Anchor & Anchor Chain with Standard Accessories For Shipbuilding.		
92	Report on Verification of the Proper use of Shipbuilding Materials (Propeller)	Desh Shipbuilding and Engineering Ltd, Chattogram	November 2019
93	Report on Verification of the Proper use of Shipbuilding Hot Rolled Steel Plates, HP, Anchor, Anchor Chain and Aluminum Window.	Adventure Shipbuilders Ltd, Barisal.	December 2019
94	Report on Verification of the Proper use of Shipbuilding Steel Plates, Bulb, Anchor, Windlass Anchor Chain, Steering Gear, Rope, Propeller and Transmission Shaft, Door and Window and Other Shipbuilding Materials	Radiant Shipyard Ltd.	January 2020
95	Report on Verification of the Proper use of Imported Shipbuilding Steel Plates.	The Haque Dockyard Ltd, Dhaka.	January 2020
96	Report on Verification of the Proper use of Hot Rolled Steel Plates, Bulb Flats, Angle, Navigation Lights and Equipment for Shipbuilding.	Meghna Shipbuilders & Dockyard Ltd.	June 2020

97	Report on Verification of the Proper use of Hot Rolled Steel Plates, Angle, HP, MS Checker Plates, Anchor, Anchor Chain with Standard Accessories, Winch with Standard Accessories, Window, Navigational Lights and Propeller with Standard Accessories.	FMC Dockyard Ltd, Chittagong	July 2020
98	Report on Verification of the Proper use of Pre-Printed Steel Plates for Shipbuilding.	Dhaka Dockyard & Engineering works, Dhaka	July 2020
99	Report on Verification of the Proper use of Pre-Printed Steel Plates, Propellers Anchors with Chain and Standard Accessories for Shipbuilding.	Dhaka Dockyard & Engineering works, Dhaka	July 2020
100	Report on Verification of the Proper use of Prime Hot Rolled Non-Alloy Steel Plates (Shipbuilding Quality LRS Grade-A) for Shipbuilding.		
101	Report on Verification of the Proper use of Vulcanized Rubber Air Bag, Propellers and Blades, Grapnels & Parts, Anchor Chain with Standard Accessories Transmission Shafts and Cranks, and M.S. Pipe.	Khan Brothers Shipbuilding Ltd, Munshigonj.	July 2020
102	Report on Certification of the Height of Imported Angles.	Three Angle Marine Ltd, Dhaka.	August 2020
103	Report on Verification of the Proper use of Imported MS plate, Chequered Plate and Angles.	Comilla Shipbuilders Ltd.	September 2020
104	Report on Verification of the Proper use of Shipbuilding Materials.	Delta Shipyard Ltd, Dhaka.	September 2020
105	Report on Verification and Certification of Steel Weight Calculation and Machineries for 02 (Two) nos. Shallow Draft Oil Tanker of 400000 (four Lac) Liter Capacity each.	BIWTC	September 2020
106	Report on Verification of the Proper use of Shipbuilding Hot Rolled Steel Plates, Anchor, Marine Anchor Chain with Standard Accessories, Marine Anchor Windlass, Aluminum Window and Navigation Light.	Adventure Shipbuilders Ltd, Barisal.	September 2020
107	Report on Verification of the Proper use of Imported Shipbuilding Hot Rolled Steel Plates.	Three Angle Marine Ltd, Dhaka	October 2020
108	Report on Verification of the Proper use of Imported Shipbuilding Hot Rolled Steel Plates, Door, Window, Truck Crane, Transmission Shaft, Air Pipe Head, Search Light, Anchor, Winch Marring Wire, Gear Box, Navigational Light and Propeller etc.		October 2020
109	Report on Verification of the Proper use of Steel Pipes of Circular Cross Section (Non-Alloy Steel)	Radiant Shipyard Ltd.	November 2020
110	Report on Verification of the Proper use of Imported MS Plates.	Aman Shipyard Ltd.	November 2020
111	Report on Certification of Imported Shipbuilding Materials	Ananda Shipyard & Slipways Ltd, Dhaka	December 2020
112	Report on Certification of Imported Shipbuilding Materials	Ananda Shipyard & Slipways Ltd, Dhaka	December 2020

113	Report on Certification of Imported Shipbuilding Materials for a BUOY Laying Vessel BLV Bangabali.	Ananda Shipyard & Slipways Ltd, Dhaka	December 2020
114	Report on Expert Opinion on Proper Utilization of Prime Quality Hot Rolled Steel Plates.	Euro Marine Shipbuilding and Dockyard Mills Ltd.	December 2020
115	Report on Verification and Certification of the Proper use of Imported Materials or Items for the Construction of Dredgers and Ancillary vessels with other Accessories (with Bond Book-1, Bond Book-02 and Bond Book-03) 107A, 107B, 107C	Karnafuly Shipbuilders Ltd, Chittagong.	January 2021
116	Report on Checking and Certification of the Steel Weight Required for the Construction of 06 (Six) nos. Medium Utility Type and 02 (Two) nos. Rocket Ghat Pontoons.	BIWTC	March 2021
117	Report on Verification of the Proper use of Imported Prime Quality Shipbuilding Steel Plates (Grade-ABS-A)	High speed Shipbuilding & Engineering Co. Ltd, Dhaka.	March 2021
118	Report on Verification of the Proper use of Imported MS Plate, Chequered Plates & Angles.	Comilla Shipbuilders Ltd.	March 2021
119	Report on Verification and Certification of the Proper use of Prime Quality Hot Rolled Steel Plates, Angles, Pipe and Fiting, Doors & Windows, Transmission Shaft, Anchors and Anchor Chains with Standard Accessories, Navigation Light, Equipment, Raft and Signaling Equipment for Shipbuilding.	Meghna Shipbuilders & Dockyard Ltd.	April 2021
120	Report on Verification of the Proper use of Shipbuilding Materials.	Bashundhara Steel & Engineering Ltd.	April 2021
121	Report on Verification of the Proper use of Shipbuilding Materials.	Bashundhara Steel & Engineering Ltd.	April 2021
122	Report on Certification of Shipbuilding Materials of 1131.678 Metric Ton Hot Rolled Steel Sheet Plate Imported for Construction of Ships & Barges.	Madina Maritime Ltd.	May 2021
123	Report on Verification and Certification of the Proper use of Prime Quality Hot Rolled Steel Plates, Angles, Shape and Section, Roller Conveyor, Roller and Ball Bearing Pulley Winch with Accessories, Bearing Block Housing Hydraulic Cylinder, Marine Diesel Engine set with Standard Accessories, Lifting Platform with Accessories, Deck fender, Fuel Flow Meter, Level Indicator with Digital Display Meter, Rust Remover, Anchor Chain etc. for Shipbuilding.	Bhai Bhai Marine Shipbuilders	May 2021
124	Report on Verification and Certification of the Proper use of Brand New Stud Link Anchor Chains Diameter 32mm.	Three Angle Marine Ltd.	May 2021
125	Report on Verification and Certification of the Proper use of Imported Hot Rolled Shipbuilding Steel Plates, Bulb Flat HP, Pipes, Anchors and Grapnels, Marine Propeller and Blades and Transmission Shafts & Cranks for Shipbuilding.	F. Rahman Shipbuilders	June 2021

126	Report on Issuance of Certification of List of Items Such as Raw Materials, Machineries and Equipment etc. are to be Imported for the New Building of Multipurpose Inspection Vessel of Bangladesh Inland Water Transport Authority (BIWTA)	Ananda Shipyard & Slipways Ltd, Dhaka	August 2021
127	Report on Verification of the Proper use of Imported Grade-A Prime Quality Hot Rolled Steel Plates.	Comilla Shipbuilders Ltd.	September 2021
128	Report on Verification and Certification of the Proper use of Prime Quality Hot Roll Steel Plates, Angles Shapes and Sections for Shipbuilding.	Dredge and Dredging Int. Ltd.	September 2021
129	Report on Verification of the Proper use of Imported Prime Produced Hot Roll Steel Plates.	Comilla Shipbuilders Ltd.	September 2021
130	Report on Verification and Certification of the Proper use of Prime Quality Hot Roll Steed Plates, Angles, HP Bulb, Shapes and Sections, Bimetallic Transition , Doors, Windows, Propellers, Transmission Shafts with Standard Accessories etc. for Shipbuilding.	FMC Dockyard Ltd.	September 2021
131	Report on Verification and Certification of the Proper use of Imported Prime Quality Hot Rolled Steel Plates, Propeller, Aluminum Widow and Marine Anchor Chain with Standard Accessories for Shipbuilding.	Adventure Shipbuilders Ltd, Barisal	September 2021
132	Report on Verification of the Proper use of Imported Prime Quality Hot Roll Steel Slab Plates Grade AB/A Mooring Wire and Anchor Chains.	Comilla Shipbuilders Ltd.	October 2021
133	Report on Verification and Certification of the Proper use of Prime Quality Hot Rolled Steel Plates, Angle, AP Bulb Profile, Anchor, Anchor Chain, Marine Door & Window, Mooring Pipe etc. for Shipbuilding.	Narayangonj Engineering & Shipbuilding Ltd.	October 2021
134	Report on Verification of the Proper use of Shipbuilding Materials.	Delta Shipyard Ltd.	January 2022
135	Report on Verification and certification of the Proper use of Hot Rolled Shipbuilding Steel Plate and Bulb Flat.	Shun Shing Shipbuilding, Gazipur	February 2022
136	Report on Imported Anchor Chains.	Khulna Dockyard	February 2022
137	Report on Certification and Verification of the Proper use of Seamless Pipes For Shipbuilding.	Bashundhara Steel & Engineering Ltd.	March 2022
138	Report on Verification of the Proper use of Imported Shipbuilding Hot Rolled Steel Plates.	Three Angle Marine Ltd.	May 2022
139	Report on Verification of the Proper use of Imported Shipbuilding Hot Rolled Steel Plates, Door, Window, Navigation Light, Search Light, Navigation & Communication Equipment, F.S. Wire Rope (Mooring Rope) Stud Lint Anchor Chain, Propeller Etc.	Three Angle Marine Ltd.	May 2022
140	Report on Certification of Shipbuilding Materials of 1232.074 Metric Ton Hot Rolled Steel Plate, Imported for Construction of Ship and Barges.	Madina Maritime Ltd.	July 2022
141	Report on Verification and Certification of the Proper use of Prime Quality Hot Rolled Steel Plates, Angle Pipe & and Fitting, Anchor & Anchor Chain, Propeller,	Meghna Shipbuilder's and Dockyard Ltd.	July 2022

	Equipment, Alarm Trip Panel and Krall Volumeter For Shipbuilding.		
142	Report on Verification of the Proper use of Imported Ships Propeller, Winch with Standard Accessories, Marine Anchor and Anchor Chain with Standard Accessories.	Khawja Shipbuilders Ltd. Chittagong.	September 2022
143	Report on Verification of the Proper use of Shipbuilding Materials.	Bashundhara Steel & Engineering Ltd.	October 2022
144	Report on Issuance of Certification of List of Items Such as Raw Materials, Machineries and Equipment etc. are to be Imported for the New Building of 02nos. 24inch Cutter Suction Dredger and Ancillary Vessel with other Accessories (Contact No. 18.11.0000.311.14.080.2021/1605, Date: 06-04-2022)	BIWTA	November 2022
145	Report on Verification and Certification of the Proper use of Prime Quality Hot Rolled Steel Plates, Chequered Plates, Propeller & Shaft with Accessories, Diesel Marine Engine, Reduction Gear, Pumps, Generator, Electrode, Control Switch, Door & Windows, Paint, Zinc, Anodes and Navigation Equipment for Shipbuilding.	Karanafuly Shipbuilders Ltd.	February 2023
146	Report on Expert Opinion of Proper usage of Imported Vulcanized Rubber Ship Launching Air Bag.	Bay-Tech Ship Builders.	March 2023
147	Report on Verification of the Proper use of Shipbuilding Materials.	Radiant Shipyard Ltd.	May 2023
148	Report on Verification of the Proper use of Shipbuilding Materials.		
149	Report on Verification of the Proper use of Imported Prime Quality Hot Rolled Steel Plates, Door, window, Navigational Light, Search Light, Navigation and Communication Equipment, Pipe and Pipe Fitting's, Ship Propeller with Accessories, Transmission Shaft and Hydraulic Pump, Anchor Etc. for Shipbuilding.	Meghna Shipbuilder's and Dockyard Ltd.	September 2023
150	Report on Verification of the Proper use of Imported Prime Quality Hot Rolled Steel Plates.	Comilla Shipbuilders Ltd.	October 2023
151	Report on Verification of the Proper use of Imported Prime Quality Hot Rolled Steel Plates.		
152	Report on Verification of the Proper use of Shipbuilding Materials.	Bay-Tech Ship Builders.	November 2023
153	Report on Verification of the Proper use of Imported Prime Quality Hot Rolled Shipbuilding Steel Plates/ Bulb Flat/ Angle, Anchor Chain, Transmission Shaft & Crank Shaft, Marine Doors & Windows, Life Board etc. for Shipbuilding.	Narayangonj Shipbuilders Ltd.	December 2023
154	Report on Verification and Certification of the Proper use of Imported Prime Quality Hot Rolled Steel Plates, Aluminum Windows, Steel Door, Marine Valve, Marine Anchor and Anchor Chain with Standard Accessories for Shipbuilding.	Aventure Shipbuilders Ltd, Barisal.	December 2023
155	Report on Verification of the Proper use of Imported Prime Quality Hot Rolled Steel Plates for Shipbuilding.		

156	Report on Proper use of Imported Prime Quality Hot Rolled Shipbuilding Steel Plates (Grade ABS-A)	High Speed Shipbuilding & Engineering.	February 2024
157	Report on Verification and Certification of the Proper use of Imported Hot Rolled Shipbuilding Steel Plates, Bulb Profile HP, Seamless Steel Pipes, Pipe Fittings, Valves, Anchors & Grapnels, Propellers & Blades and Transmission Shafts & Cranks for Shipbuilding.	F. Rahman Shipbuilders, Narayangonj.	March 2024
158	Report on Verification and Certification of the Proper use of Imported Hot Rolled Shipbuilding Steel Plates, Bulb Profile HP, Seamless Steel Pipes, Anchor and Anchor Chain, Air Compressor & Eclectic Panel, Transmission Shaft & Propellers, Pipe Fittings, Liquid Elevator Pumps, Air Receiver, Valves etc. for Shipbuilding.	Khan Brother Shipbuilding Ltd, Munshigonj.	March 2024
159	Report on Certification and Verification of Proper use of Shipbuilding Materials.	Bashundhara Steel & Engineering Ltd.	May 2024
160	Report on Verification and Certification of the Proper use of Imported Prime Quality H. R. Steel Angle and B. N. Propeller with Standard Accessories for Shipbuilding.	Ananda Shipyard & Slipways Ltd.	July 2024
